## Profile:

I am a passionate and adaptable final-year Computer Science and Engineering student at Nadar Saraswathi College of Engineering and Technology, Theni. I specialize in Flutter development and have hands-on experience transforming UI designs into fully functional, responsive mobile applications. With strong problem-solving, communication, and creative skills, I am seeking a Flutter Developer role where I can contribute to impactful projects and continue advancing my technical expertise.

## Educational Qualification:

- 10<sup>th</sup> -75%
- 12<sup>th</sup> -73%
- Bachelor of Engineering in Computer Science and Engineering  
Nadar Saraswathi College of Engineering and Technology,  
Theni
- 2022 – 2026 | CGPA: 7.82

## Skills:

### Work Specific Skills:

- I am Skilled in Flutter with strong knowledge of Dart, Firebase, and APIs
- Proficient in turning UI/UX designs into high-quality, responsive Flutter applications
- Experienced in integrating Firebase Authentication for secure user sign-in and registration.

### Work Ability Skills:

- Ability to convey ideas clearly and effectively.
- Analyzing and resolving challenges efficiently.

### Work Attitude Skills:

- Maintaining honesty, clarity, and responsibility in communication and decision-making.
- Following rules and guidelines consistently and responsibly.

## **Projects:**

- **Lyrify Music App** – Flutter, Dart  
Developed a music app with Home, Playlist, Player, and Search screens.  
Designed the UI and implemented smooth audio playback with responsive navigation.
- **Nith Quantum UI** – Flutter, Dart  
Designed and developed an elegant AI-powered chat and voice assistant interface with responsive layouts using Flutter.

## **Internships:**

Completed a web development internship at Astro Web Solution, Madurai

## **Achievements:**

- Runner in Internal hackathon at Nadar saraswathi college of engineering and technology

## **Certified Courses:**

- Dart programming in Infosys springboard
- Effective ux design in Infosys springboard

## **Interest:**

- Mobile app development
- Cross platform development

## **Declaration:**

I hereby declare that all information provided here is true to the best of my knowledge.
